House Armed Services Committee

In a discussion with Mr. Smart, Chief Counsel, on February 27, he stated that the Subcommittee to Review CIA Activities, under the Chairmanship of Congressman Kilday, had asked that he review with the GAO the results of our audit of CIA. Mr. Smart would like to have a general discussion with our Audit Supervisor of CIA. He would like this discussion to include comments on any impressions that we may have of the operating personnel of the Agency as well as our impressions on the actual operation of the Agency itself. He also would like to know any matters that we have noticed in the audit that should be brought to his attention.

Arrangements will be made through Mr. Samuelson and Mr. J. Ben Williams, CAAP, for this discussion.
